

Report of the Clerk

- 1. Toilets at the Fleece:** At the June Executive meeting held on the 25th June, the Executive resolved to hand the Fleece Toilets over to the Parish Council at the nominal cost of £1 and to pay the rates for the first two years. The Clerk has contacted Pendle to obtain a key for the toilets.
- 2. Allotment Request:** From the 1st July a Community organisation from Brierfield who have received lottery funding are looking for an allotment to carry out veg growing classes as part of a lifestyle programme. This Group have been in contact a few months ago and have been unsuccessful in finding an allotment nearer to Brierfield. ***Does the Council wish the Clerk to let this group an allotment although it may only be for the duration of their funding?***
- 3. Pendle Meeting with Town & Parish Councils:** A meeting was held at Brierfield Community Centre on Monday Evening and was attended by Cllrs. Oliver and Royce accompanied by the Clerk. Pendle's finance officer gave an overview of Pendle's finances and projections for the next few years. These future projections cannot be substantiated until after the Government releases future local government funding projections but the position over the next few years is bleak for local services. Cllr. Iqbal Leader of Pendle Council talked about future handing over of services to Towns and Parishes, with individual meetings being arranged with the larger councils holding theirs before the end of August. These meetings will not commit any Parish or Town Council to anything but are designed for the Chairman, Vice Chairman and the Clerk to explore ways of jointly retaining services. Following these meeting reports will be submitted to the Council for consideration. ***The Clerk recommends that this be added to a future agenda for further discussion.***
- 4. Electoral Review of Lancashire:** see appendix 1

Agenda Item 13

Appendix 1

Dear Parish or Town Clerk

ELECTORAL REVIEW OF LANCASHIRE

The Local Government Boundary Commission for England has formally commenced an electoral review of Lancashire County Council. The purpose of this letter is to inform you of the review and seek your views on future electoral division boundaries for the council.

The Commission is carrying out a review to deliver electoral equality for voters across the county. At present, some county councillors represent many more, or many fewer, electors than their colleagues elsewhere in the county. The review aims to correct those imbalances.

What is an electoral review?

The electoral review will recommend new electoral arrangements for Lancashire County Council. In particular, it will propose:

- The total number of councillors elected to the council in the future.
- The number of electoral divisions
- The number of councillors representing each electoral division
- Electoral boundaries
- Names of electoral divisions

For parishes, the review can recommend changes to the electoral arrangements of parish and town councils i.e. the number, names and boundaries of parish wards and the number of parish councillors for each parish wards. However, this is only in circumstances where the parished area is to be divided between divisions. Even in these circumstances, the Commission will not normally recommend any change to the number of councillors to be elected to a parish or town council. The Commission has no power to consider changes to the external boundaries of a parish or the creation of new parishes.

When?

Today, **23 June 2015** is the start of a **10** week public consultation during which the Commission is inviting proposals for new **electoral division** arrangements. The consultation will close on **31 August 2015**. After considering all representations made during this consultation, the Commission intends to publish draft recommendations in **November 2015**. There will then be a further period of consultation on the draft recommendations. Final recommendations are expected to be published in **April 2016**. The new electoral arrangements will come into effect at the local elections in 2017.

Agenda Item 13

How to get involved?

This is a public consultation and we welcome views from individuals and organisations across the county on where they think new electoral boundary division patterns should be drawn.

The Commission is minded to recommend that 84 councillors should be elected to Lancashire County Council in the future. It is now inviting proposals to help it draw up a pattern of divisions to accommodate Lancashire county councillors.

In drawing up a pattern of electoral divisions, the Commission must balance three criteria, which are set out in law, namely:

- To deliver electoral equality where each county councillor represents roughly the same number of electors as others across the county.
- That the pattern of electoral boundary divisions should, as far as possible, reflect the interests and identities of local communities.
- That the electoral arrangements should provide for effective and convenient local government.

We are asking local people and organisations for their views as to the best pattern of electoral boundary divisions for the county which meet the requirements set out above.

The Commission will treat all submissions equally and will judge each case on its merits and against the statutory criteria. If you wish to put forward a view, we would also urge you to ensure that your submission is supported by evidence. For example, if you wish to argue that two parishes should be included in the same electoral division, make sure you tell the Commission why they should be together, providing evidence about community facilities, ties, organisations and amenities, rather than simply asserting that they belong together.

There is plenty more advice on our website about how you can get involved in the consultation and put your views forward. Log on to www.lgbce.org.uk to find out more. The website includes the technical guidance that explains the process and our policies as well as guidance on how to take part in each part of the process. We have set up a page on our site which is dedicated to the review of Lancashire County Council where you can find all the relevant information.

You can also access interactive maps of the current electoral division boundaries across the county on our specialist consultation portal. The portal also allows you to draw your own boundaries, mark areas of interest on the map and upload documents directly to the site.
